

Dear Sir or Madam,

The Serbian Alumni Association of the London School of Economics and Political Science is pleased to invite you to its official launch event, which will be held **on Friday, 27 November, at 6:30pm at the Institute of Economic Sciences / Belgrade Banking Academy, Zmaj Jovina St. 12.**

We are particularly pleased that professor **Dr Spyros Economides**, Senior Lecturer at LSE, will be present at the event. Dr Economides will hold a lecture entitled '*The Western Balkans and EU Integration after the Lisbon Treaty*'. The lecture will be in English, and will be followed by a cocktail.

The objective of our association is to gather all students, professors and friends of LSE in Serbia, and raise public awareness about LSE's work. In this way, we would like to promote cooperation between people who are successfully applying the knowledge and experience acquired at LSE in Serbia. Moreover, we would like to stimulate the exchange of intellectual ideas regarding Serbia's development and promote cooperation with Great Britain.

We hope that you will join us to celebrate the launch of our Association.

Best regards,

Serbian Alumni Association

of the London School of Economics and Political Science
